ACCOMMODATION, HEALTH INSURANCE, VISA AND RESIDENCY PERMIT

HEAD Genève does not provide Campus accommodation. Students must find apartments or rooms by their own means. Since the housing market is very tight in Geneva, we advise them to look for an accommodation as soon as possible.

Medical Health and third liability insurances are required. Students must get an insurance policy covering any health issue for the whole duration of their studies in Switzerland.

Visa and Residency permit procedures depend on the nationality/residency country of the students.

You will find all the information regarding Accommodation, Health Insurance and Visa/Residency permit on the following link.
