2. Organisation

ECTS credits 5

Language:
(*Compulsory – multiple responses possible*)

<input type="checkbox"/> French	<input type="checkbox"/> Italian
<input type="checkbox"/> German	<input checked="" type="checkbox"/> English
<input type="checkbox"/> Other: ...	

3. Prerequisite

(*Compulsory – 1 possible response*)

To have validated the module
 To have followed the module
 No prerequisite
 Other: ...

4. Skills to be gained / general learning objectives

(*Compulsory – write in as required*)

Objectives for the unit: Business Law.

The overarching objective of the Unit is to master the core elements of business law which impact on the regulatory framework which governs enterprises.

Specifically, the students will be, at the end of the Semester, capable of;

- Presenting key regulations which define the business environment.
- Presenting the Constitutional principles which frame Switzerland's economic system and assessing specific situations related thereto.
- Defining the various different legal structures of enterprises and related rights and obligations for entrepreneurs.
- Summarizing the liability of managers and analysing specific situations which may occur in actual business life.
- Presenting the fundamental principles governing the conclusion of commercial contracts.

Objectives for the unit: “Understanding the EU”: introduction to EU law and institutions

The overall objective of the Unit is to develop understanding about the functioning of the EU (law and institutions) and its importance for “doing business” in and with European partners.

Specifically, the students will be, at the end of the Semester, capable of;

- Defining the role of the EU as a global economic and commercial player.
- Presenting the roles and functioning of EU institutions.
- Presenting the main economic and commercial rules which define the business environment in the EU.
- Analysing and presenting concrete regulatory challenges for enterprises in a given sector.

5. Teaching and content
