

Internship Logistic

Sucden is an independent leader in soft commodities trading. We trade on the world's major exchanges in a wide range of products and services including sugar, coffee, cocoa, ethanol, ocean freight and futures/options brokerage. In support, we are active in agriculture and sourcing, processing, logistics, distribution, merchandising, financing, research and risk management.

Location:

Geneva, Switzerland

Experience Level:

None

Employment Category:

Six months internship, immediate start possible. This is a very exciting opportunity for an individual interested in enhancing their knowledge of logistics and trading in a fast-paced environment.

Job Summary:

- Successful applicants will work in a trading environment to assist experienced traders and work closely with our logistic team. You will get extended exposure to logistical planning of our truck distribution business in Europe.

Primary Duties:

- Support our logistic team in daily business with focus on our European truck distribution business.
- Operational optimization based on the knowledge acquired.

Required/Preferred Qualifications:

- Business fluency in English.
- Highly structured working methods.
- High level of curiosity and eagerness to continuously learn.
- German is an asset.

Hiring Details:

Immediate start possible. Competitive compensation. Please send your application with cover letter and CV to Mr. von Soest (hvonsoest@sucden.com).
