The University of Applied Sciences Western Switzerland (HES-SO) Geneva is recruiting for its Information Studies department at the Haute école de gestion de Genève:

**An UAS Associate Professor or an UAS Assistant Professor (tenure track) in Open Science/Open Research Data**

**Activity Rate: 100 %**

**Mission**

- teach in our Bachelor and Master programs as well as in further vocational programs in the following fields:
  - Open Science standards, policies and tools;
  - Data analysis, structuring, management and visualization (data curation) according to the FAIR principles
- develop and/or reinforce expertise in the fields of Open Access and Open (Big) Data
- supervise Bachelor and Master theses
- writing – mainly in English – and conduct applied research projects funded by swiss or international funding agencies (FNS, InnoSuisse, Horizon2020, ...) or as defined by national strategies (swissuniversities Open Science) related to the field of specialisation
- conduct applied research projects and services delivery related to the field of teaching
- enhance research in the form of scientific articles, conferences and mainstream publications
- perform administrative and organizational activities related to the field of teaching and research

**Profile**

- graduate degree in Information Sciences or related field. A PhD in a related field is a very important asset
- teaching experience at the Bachelor and Master levels or in the continuing education programs are strongly recommended
- a minimum of 5 years of professional experience in the field of Data Curation with proven expertise in the use of Data Curation tools (FAIR), Visualisation or Analytics (e.g. ELK Stack)
- ability to operate in a complex changing environment and work with a team
- proven track record of securing funding for applied research, conducting research projects and managing a research team, as well as of obtaining and performing consulting mandates
- teamwork and shared ambition leader
- good communication and writing skills in French and English
