

HES-SO University of Applied Sciences and Arts Western Switzerland – Geneva is recruiting for the Geneva School of Business Administration in the Economie d'Entreprise department a position of

UAS Assistant in Decision Sciences **activity rate: 50%**

In a dynamic environment and in direct contact with the business community, we offer a job that allows you to :

- To deepen your training
- Develop skills in activities related to teaching and research
- To demonstrate autonomy and initiative in a variety of activities

The candidate key responsibilities include:

- Assist a UAS professor in his teaching activities in decision sciences and statistics
- Participate in research projects and consultancy mandates in logistics
- Contribute to administrative tasks related to the teacher's teaching areas

Profile/Education:

- The candidate must have a Bachelor's degree in computer science, mathematics or equivalent. A master's degree would be an asset.
- Knowledge in statistics and optimization (i.e. operations research, decision sciences)
- Very good knowledge of at least one programming language among R, Julia, Java, C or Python
- Knowledge of LaTeX
- Knowledge of R programming is a plus
- Interest in quantitative methods

Specificities:

- HES Assistants are hired, in principle, on a one year basis, renewable for a maximum of 4 years
- The salary rate for an HES Assistant corresponds to a class 9 - annuity 2, for people holding a Master's degree

Deadline for application: 31.07.2021

Starting date: 01.09.2021 or to be agreed

Place of work: Geneva School of Business Administration (HEG Genève), 1227 Carouge
