

HES-SO University of Applied Sciences and Arts Western Switzerland – Geneva is recruiting for the Geneva School of Business Administration in the International Business Management department a position of

An assistant UAS in economics of risk/risk management
Limited duration contract of 12 months, renewable
Activity rate : 100%

In a dynamic environment and in direct contact with the business community, we offer a position that allows you to:

- Develop skills in activities related to teaching and research in the field of risk management, microeconomics, insurance economics and health economics
- Continue your education, for instance by undertaking a master or doctoral degree
- Demonstrate autonomy and initiative in a variety of activities

Mission:

- Assist a UAS professor for teaching activities in risk management and microeconomics
- Participate in research projects and consultancy mandates in the fields of risk management, insurance economics and health economics
- Follow and supervise student work under the supervision of a UAS professor
- Contribute to administrative tasks in the IBM Department

Profile:

- Bachelor's degree in economics, finance, actuarial sciences or a related field (Master's degree would be an asset)
- Interest in theoretical models and quantitative methods
- Flexibility, autonomy and sense of organization

Characteristics of the position:

- The duration of this UAS contract is for 12 months, renewable up to four times
- The salary rate for an UAS assistant corresponds to a class 8 – annuity 0 for persons holding a Bachelor degree, and class 9 – annuity 2 for persons holding a Master degree

Deadline for applications : June 1st, 2021

Starting date : September 1st, 2021

Place of work : Campus Battelle – rue de la Tambourine 17 – 1227 Carouge

The HES-SO Geneva/HEG is an equal opportunity employer.

Please submit your application (CV, cover letter, diplomas and work certificates, most recent grades) by email only to christophe.courbage@hesge.ch. Incomplete files or files that do not match the desired profile will not be considered.

Information regarding the job description, salary and working conditions can be requested from the HR department: raquel.pillco-vilchez@hesge.ch, tél. : +41 22 388 18 89.
