

A close-up photograph of a person's hands, wearing a plaid shirt, gently holding a small green seedling with several leaves. The background is a soft-focus field of yellow flowers, likely rapeseed, under natural light.

Soil Post-Doc Stein Research Center Switzerland

Do you have:

- A PhD in rhizosphere or microbial ecology?
- Experience in the development and application of microbial profiling tools as well as in data-mining?
- Passion and excitement for soil and sustainability themes?
