

CURRICULUM VITAE

1. Personal information

François LEFORT

Nationality: Swiss

Address : 150, route de Presinge 1254 Jussy

Ph.: +41 22 546 68 27 Mob : +41 76 397 62 82.

Email: francois.lefort@hesge.ch

Email: francois.lefort@hes-so.ch

ResearcherID: L-3831-2016; h-index: 25

ORCID ID: 0000-0002-9977-9952

2. Education.

1991 Philosophical Doctorate in biological sciences, University of Geneva (Switzerland)

1988 Certificate in Hematology and Immunology, University of Rennes (France)

1984 Master of Sciences in Cell Biology mention Genetics, University Blaise Pascal (Clermont-Ferrand, France). Genetics, Plant Physiology, Eukaryotic Molecular Genetics

1983 Bachelor of Sciences in Cell Biology and Physiology, University Blaise Pascal (Clermont-Ferrand, France). Biochemistry, Microbiology, Bacteriology, Virology, Immunology. Animal Physiology and Plant Physiology

1982 Diploma of General University Studies in Chemistry and Biology, University Blaise Pascal (Clermont-Ferrand, France)

Other diploma: Cambridge First Certificate; Zertifikat Deutsch als Fremdsprache; Attestation of didactic training for teaching. University of Applied Sciences and Arts Western Switzerland (HES-SO); Federal Attestation for Apprentice Training (Swiss Confederation); Federal Licence for Phytosanitary Treatments in Agriculture and Horticulture (Swiss Confederation)

3. Employment history including current position

Since 2002: Full Professor HES at hepia Geneva, Department of Life Sciences, Faculty of Engineering and Architecture, University of Applied Sciences and Arts Western Switzerland (HES-SO)

1998-2001 Senior scientist, University of Crete (Greece)

1998-2001 Lecturer in molecular medicine (Part time) Trinity College Dublin (Ireland)

1996-1998 Junior scientist, Teagasc (Agriculture and Food Authority, Ireland)

1993-1994 Research Assistant, University of Geneva, Faculty of Sciences, Biology Section

1991-1993 Consultant for molecular biology companies (France, Switzerland)

1984-1990, Assistant, University of Geneva, Faculty of Sciences, Department of Plant Biology

4. Institutional responsibilities

President of the Collaborative Council of the University of Applied Sciences and Arts Western Switzerland HES-SO (since 2015)

Member of the Participative Council of the Faculty of engineering and architecture of the University of Applied Sciences and Arts Western HES-SO (since 2015)

Member of the Piloting Committee of the research program Healthfood HES-SO (since 2011)

Coordinator for International Relations at hepia (since 2012)

Coordinator of the bachelor theses of the bachelor in Agronomy (since 2011)

Member of the Council of the research Institute Land Nature and Environment inTNE (since 2006)

Responsible of the research group Plants and Pathogens, inTNE (since 2006)

Biological Security Officer, hepia/Lullier (since 2002)

Member of Selection commissions of Professors

5. Publications

A comprehensive list of publications is available at ResearchGate:
